SUPERVISORY PATENT EXAMINER

***Reason for allowance***

The following is an examiner's statement of reasons for allowance: the applicant's amendment filed on 01-03-05 overcomes the technical deficiencies and the prior art of record. Claims 2, 8-13 and 16 have been cancelled.

The prior art of record (US Pat. 5,227,739) fails to teach or fairly suggest a resonator comprising a through holes formed on the dielectric layers and cutouts (omitted portions) on the grounding conductors wherein, the through hole in the one of the at least two grounding conductor layers is spaced from the omitted portion such that the through hole in the one of the at least two grounding conductor layers is disposed outside of a periphery of the omitted portion as called for in claims 1 and 22. Therefore, claims 1, 3-7, 14, 15 and 17-21 are presently allowed.

***Conclusion***

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
